

Election Results!

The election of October 10, 2009 is over and the results are in with the votes having been counted. Before giving you the numbers I wish to thank all of the many volunteers who worked tirelessly to put the annual election program together. They did such a great job! I am sure if you were in attendance and toured the facilities, the marina, the new picnic area, the beautiful grounds, and shared in all of the events you would say it was a terrific two days of activities that everyone enjoyed. How could you not love the beauty of Sunset Bay? It is a community of friendly people and lifestyle. We are all very blessed.....
